

# Profinium Financial Announces Marques Doppler as new Bank CEO

Recently, Marques Doppler was announced as the new CEO of Profinium Financial, Inc. effective in January of 2009. Marques has extensive banking experience, most recently serving as Bank President in Chanhassen, Victoria and Montevideo communities. Overall, he has served over 15 years in either President or CEO positions for community banks like Profinium, and has almost 30 years of total banking and financial services experience.

Marques is a graduate of University of Mary in Bismarck, North Dakota, with a Bachelors of Science degree in Business Administration (Financial Institution emphasis). He has also been a Certified Financial Planner since 1991, holding several other licenses in the securities and insurance industry. Community involvement has also been of hallmark of Marques' career, serving on many Boards of Directors and leadership positions for non-profit and community development organizations.

According to Fred C. Krahmer, Chairman of the Board of Directors at Profinium Financial, "All of us at Profinium are very excited about having Marques on board. His experience in community banking along with his enthusiasm and leadership will be a great asset to us as we strive to take our bank to an even higher level of service and responsiveness to our communities. His extensive experience in agriculture and business focused community banks give him a broad base of knowledge, and his commitment to customer service and community involvement fit well with Profinium's values and mission."

When asked about his new position, Marques replied, "This is an outstanding opportunity for me to continue my banking career in an organization whose Vision, Mission and Core Values are in alignment with mine. I look forward to serving our employees, clients and communities with a passion and commitment to service, innovation, leadership and community involvement. My wife and I are very excited to move to Fairmont and become active in supporting the community. The offices of Profinium are very similar to where I have spent the majority of my banking career, and I am thrilled to work with a financial services company already full of energetic, enthusiastic and talented professionals. It is my goal to bring Profinium into even greater prominence as the local leader of financial services for families and businesses."

Profinium Financial has three locations in Southern Minnesota (Fairmont, Truman, and Owatonna) and has grown to be over \$325 million in assets. The organization has been serving Southern Minnesota since 1875 with banking, mortgages, insurance, trust and investment services.
