## KASASA CASH

**Rate Information:** This Account is an interest bearing account. The interest rate on the account is 0.03% with an annual percentage yield of 0.03%.

The interest rate and annual percentage yield may change. At our discretion, we may change the interest rate on the account daily. The interest rate and annual percentage yield shown above apply when the Kasasa Cash qualifications are not met.

### Kasasa Cash

Minimum to open is \$100 for Kasasa Cash and \$10 for Kasasa Saver. For KasasaCash, if qualifications are met each monthly qualification cycle: (1) Nationwide ATM fees incurred during qualification cycle will be reimbursed up to \$20 and credited to account on the first business day following the end of each qualification cycle; (2) balances up to \$15,000 receive APY of 0.57%; and (3) balances over \$15,000 earn 0.07% interest rate on portion of balance over \$15,000, resulting in 0.57% - 0.14% APY depending on the balance in the account. If qualifications are not met on Kasasa Cash, all balances earn 0.03% APY.

Interest will be compounded on a monthly basis. Interest will be credited to your account on the first business day following the end of each Qualification Cycle. Interest begins to accrue on the business day we received credit for the deposit of noncash items (for example, checks).

### Qualifications

To qualify for "Kasasa Cash" rates and receive reimbursements on your Nationwide ATM fee surcharges, you must perform the following during the monthly qualification cycle:

- \*Have 10 or more debit card purchases post and settle
- \*Receive your monthly statement electronically
- \*Have a least one direct deposit or at least one automatic payment (ACH) post and settle

Please note that qualifying transactions must post to and settle to the Kasasa Cash account during each monthly qualification cycle. They may not be in a pending state to qualify as one of the qualifications. Transactions may take one or more banking days from the date transaction was made to post to and settle to an account. ATM-processed transactions and transfers between accounts do not count towards earning account rewards. "Monthly Qualification Cycle" means a calendar month ending on the last business day. Fees may reduce earnings. If you close your account before rewards are credited to it, you will not receive the rewards. The advertised Kasasa Cash APY is based on compounding interest. If you have a Kasasa Saver Account attached to your Kasasa Cash account interest is not compounded. Interest earned in Kasasa Cash is automatically transferred to Kasasa Saver on the day following the day interest was credited to your Kasasa Cash account and does not compound. Actual interest amount paid may be less than advertised Kasasa Cash APY. The Kasasa Saver APYs may be less than Kasasa Cash APYs. Limit one account per SSN. Contact a Personal Banker for details.

### Monthly Qualification Cycle

Monthly Qualification Cycle means a calendar month (ending on the last business day). Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks). Interest will be compounded monthly and will be credited to the account monthly. If the account is closed before interest is credited, you will not receive the accrued interest.

**Balance Information:** We use the daily collected balance method to calculate the interest on the account. This method applies a daily periodic rate to the collected balance in the account each day. You must maintain a minimum balance of \$0.01 in the account each day to obtain the disclosed annual percentage yield.

**Limitations:** You must deposit \$100.00 to open this account.
